Manuscripts for publication should be submitted to John T. Tate, University of Minnesota, Minneapolis, Minnesota. The authors' institutions are requested to pay a publication charge of $8 per page which, if honored, entitles them to 100 free reprints. Instructions will be sent with galley proofs.

Proof and all correspondence concerning papers in the process of publication should be addressed to the Publication Manager, American Institute of Physics, 57 East 55 Street, New York 22, New York.

Subscription Price

United States and Canada.....$25.00
Elsewhere.....$27.00

Back Numbers[1]

Yearly back number rate when complete year is available:
Prior to 1949: $20.00
Thereafter: $27.00
Single copies: $2.00 each, prior to July, 1929;
$1.00 each, July, 1929–December, 1941;
$2.00 each, January, 1942–December, 1946;
$1.00 each, January, 1947–December, 1948;
$1.25 each, thereafter.
General index, 1893–1920: $4.00.

Subscriptions, renewals, and orders for back numbers should be addressed to the American Institute of Physics, 57 East 55 Street, New York 22, New York.

Changes of address in the case of members of the American Physical Society should be addressed to the Treasurer; in the case of other subscribers to the Circulation Manager, American Institute of Physics.

[1] For Series 1 inquire of Physics Department, Cornell University, Ithaca, New York.

The Physical Review is published semi-monthly at Prince and Lemon Streets, Lancaster, Pennsylvania.

Entered as second-class matter March 6, 1947, at the Post Office at Lancaster, Pennsylvania, under the Act of March 3, 1879.

Acceptance for mailing at special rate of postage provided for in paragraph (d-2), section 34.40, P. L. & R. of 1948, authorized January 27, 1933.
